

"Heartease" and "Footease"

are synonymous terms when applied
to our comfortable and stylish summer
footwear.

We are now receiving daily our second supply of Low Shoes in all the leathers and made in all the new shapes. Drop in and see them. It is just as easy to have our exclusive designs in footwear as it is to have the same old thing as "Tom, Dick & Harry" can buy in any old kind of a store. Costs no more, you feel better and you look better. Try it and see for yourself.

If you are among the few who don't know it,
buy once from us, then you will say

"Pew's Shoes"

TOO LATE TO CLASSIFY. MONEY TO LOAN—Broadus & Leavelle

FOR SALE BY CASSIDY & DAVIDSON. BUSINESS PROPERTY.

From the beginning the growth of El Paso was always to the north and east.

A few years ago you could buy lots on the north side for a few dollars. Some of this same property is now selling at \$350 to \$500 per front foot and still going up.

The opportunities of today are few and will soon be gone.

At one time New York, Chicago, Los Angeles and other cities offered chances for the wide awake investor. Some took advantage of them. Others doubted and let the chance go by. Those who invested a few dollars realized a fortune.

THE QUICKEST MONEY IN CITY PROPERTY.

Mr. Fred Wright bought 2 lots on NORTH STANTON ST. a few years ago for \$1200. We sold these lots for him recently for \$20,000.

This property made money for the investor because it was in line of the city's greatest growth.

Why the "POPULAR'S" Clothing Values are the Best

It's an undeniable fact that the Clothing values in this store are the BEST to be obtained—and there's a reason.

Buying in large quantities always lessens the initial cost and we always share with our customers the advantage thus obtained.

We do not depend upon this one line to bear the expense of the business (as is the case in exclusive stores) therefore, can afford to sell at a smaller margin of profit.

The names of the makers—Kuppenheimer and Hart Schaffner and Marx—the makers of the "best clothes on earth," is a sufficient guarantee to men of discrimination.

Our Clothing Dept. is in the hands of men thoroughly experienced not only in the buying and selling, but in the actual manufacture of men's clothes—who know the INSIDE as well as the OUTSIDE of a garment.

All in all, the "Popular" is the logical place for men who appreciate good quality, perfect fit and fair pricing to clothe themselves.
